Superintendent Scott Dill announced the opening of the city's "*forever* home" located in the district on August 12th, 2020. The center features seven classrooms and restrooms, two rooms for extended care with one for intensive needs, two speech rooms, including many other *necessary* areas.

It has been made easier for students to know where to go because each of the classroom pods have been color coded.

*"it's a happy place" Nancy Gill claimed.*

*"it cant help but lift your spirits." said JoAnne Westbrook*
